EBDance is a contemporary dance company based in NYC with a mission to research the human condition through movement, performance, and film. We are using this time of COVID to think outside the box, creating non-conventional, covid-friendly dance projects. We are looking for a few dancers to join our company for the 2020-2021 season who are based in NYC.

Upcoming Projects :

- Scavenger Hunt Performance Series (Five Saturdays/Sundays in Nov-Dec 2020)

Outdoor structured improv live mini performances

- Film Projects (ongoing)

- Virtual Company Class with teaching opportunity (bimonthly)

- Creative residency (Feb or March 2021)

- Interactive performance art installations throughout NYC (Spring 2021)

Dancers will be PAID per project with prices negotiated by myself and dancers. We encourage dancers of all backgrounds and gender identifications to apply. Projects are collaborative. We prioritize health and safety of all company members/collaborators, so any in person work will require masks, social distancing, and frequent cleaning/hand washing.
