November Video Lab

With Cross Move Lab

Join Cross Move Lab's company dancers and students to train, rehearse, and create a video under the direction of Artistic Director Guanglei Hui. Classes and rehearsals are held Fridays in November and will culminate in a video that will be shown on Monday November 30th at 5:00PM EST on Zoom.

The video will consist in embodying a day in quarantine, all the dancers representing the same person during a typical day (Waking up, making breakfast, brushing teeth, watching tv, etc...) We would like to explore creative ways to tell this story that we all lived as a community during this year, in a video project. Rehearsals will be used to find ideas and point of views, and you will need to record yourself outside classes/rehearsals when and if asked. (All rights reserved to Guanglei Hui)
Interested dancers must commit to all dates for the video project.
