7MPR Virtual Performance 2021

7MPR Themed Dance Theater-The Fifth Midnight Performance will be on April 3rd, 2021. Based on the situation of COVID, we decided to cancel any application fee during the pandemic, so we hope artists can join our performances with their COVID works that show different fun ideas, strong wisdom and artistry during the quarantine time.

Note: According to the updated rules about music copyright of Facebook Live, all video works must have the permission of the use of the music, so we can broadcast videos (or restore audio for videos) including music that has been published without any copyright issue through Facebook Live. Choreographers' videos are originally composed by their own or their own composers will not be influenced by copyright problem on Facebook. In addition, Dance film, movement montage, original song, physical poem, music work, should be made during COVID-19. Videos made before 2020 will not be the perfect option for the theme of 2021 as we are all experiencing different issues caused by COVID-19 now.
