Creating an instructional dance/visual art film clip in NYC. Looking for a professional dancer that specializes in the "follow" role, specifically skilled in Cuban casino, Cuban son, salsa suelta, and Cuban rumba (guaguanco) for a filmed art presentation with two professional male dancers. To help give dance partners "follows" more agency, we'll ask you to speak about what you're doing from the follow's perspective for general audiences. Looking for a follow that is knowledgeable in these specific dance idioms.

Please submit your resume and samples (videos/website/links) to urbanstompnyc@gmail.com.

COVID-19 Safety: During the in-person dance, we will follow a strict protocol to ensure the safety of all participants and staff members at a studio in Brooklyn, NY. For more information about the Safety Protocol please message me.

The filming will take place on Sunday, 3/7/2021, about 1.5 to 2 hours.
