JUNTOSVirtual Global Teachers

Calling all college aged dance professionals and students looking for hands-on, international teaching experience. Apply to become a JUNTOSVirtual Global Teacher, where you will learn to teach dance bilingually, gain JUNTOS Pedagogical training, and collaborate with a world-wide network of artists, educators, and community builders to create a global impact.

Our next Global Teachers Training will be held April 24-25. This is a weekend of 6 hours of virtual workshops, lectures, discussions, and training in the JUNTOS pedagogy. We are looking for aspiring teachers to take part in this weekend workshop, to gain the insight needed to teach for our communities abroad and have a global impact through dance.

Upon completion of the JUNTOS Global Teachers Training, you will be offered opportunities to teach dance/movement workshops virtually for communities abroad. Grow your network and connect with peers who are passionate about dance, culture, and community outreach.
