Matthew Westerby Company is looking to hire one male dancer for a new dance work - "The Piers Project." The piece is inspired by the piers scene on Manhattan's west side in the 1970's. The work will be created as a work-in-progress for a showing in June 2021 and outdoor performances in September 2021, with the premiere in summer 2022. The work will feature a commissioned score by composers Bryan Senti & Rick Smith and produced in partnership with Hudson Guild Theatre Company.

Paid rehearsal & performance.

Dancers should have strong dance technique, improvisational abilities and a willingness to participate and contribute to the creative process. Please submit a resume and photo ASAP!
