The Ann Reinking Scholarship will be awarded annually to an early career dancer moving to NYC to help support them in their artistic endeavors. Inspired by Annie's own story of moving to New York with little more than a dream, this scholarship will provide monetary support and mentorship by creating community, a home base and network of people in the industry to set them on a path of success and give them a leg up in the business.

Over the course of the (1) Year Term as the Ann Reinking Scholarship Winner, they will have access to a variety of tools and resources including:

- Pairing with a Mentor for curated sessions for their first (3) months in the city
- Industry connections, as selected by the Ann Reinking Advisory Board
- Access to Off The Lane's Community Resource Guide
- Off The Lane's Partnership Discounts
- Off The Lane's Community Networking Events
