Elizabeth Burr

EBDance is searching for a multi-media designer to collaborate on an upcoming project!

The Living Gallery is a open gallery performance where we combine multimedia installations and movement to create an interactive experience for our audience. Three solos with different relationships to multimedia design will be performed throughout the space. We are looking for a visual artist that specializes in photography and interactive projections.

Details:

Performance date - Monday 6/14 5-7pm

Location - Williamsburg, BK
