D10 Project directed by Elliott Ortiz, is looking for male dancer or actor with dance experience for shows in Manhattan, NYC during:

September 17 & 18

Tech rehearsals- September 15 & 16

Rehearsals on Fridays & Saturdays - 3-6h per week - Starting July 16

Dance/ Physical-theater troupe based in New York City.

The style of this dance group is "dramaturgy in dance"; and there, we continue improving the artistic work with professional performers, exploring deep motivations between acting and movement, focusing on the conflict (drama) to enrich the choreographic language and highlighting some daily human concerns to make bold statements, connect with the Latino community and stimulate audiences to reflect on their societal roles.

Auditions by appointment, contact information below.
