Boston Dance Theater is currently accepting applications for our next Trainee Program entry period of January 2022. We will be holding an in-person audition and are also accepting video submissions on a rolling basis.

Where: Greater Boston Area (Studio location TBA, Public Transit accessible)

When: Friday, January 7, 2022 from 10-11:30am EST

Boston Dance Theater Trainee Program bridges the gap between a dancer's formative training and professional or collegiate pursuits. It is a full time, 11-month educational experience that is immersive and designed for pre-professional dancers aged 17-24 who aspire to join a professional dance company and want to take a gap year between high school or college and enter the professional world.

How to apply: This particular Trainee Program audition will occur at the end of Boston Dance Theater's 2022 Winter Immersion Project. More information on that program as well as the Trainee Program audition can be found on our [website](#).
