UPDATE Due to an overwhelming number of submissions, this audition is now invitation-only. Please follow the submission instructions below, and Accent Dance NYC will respond with further instructions if you are invited to audition.

Accent Dance NYC is seeking professional modern/contemporary, ballet, and hip hop dancers for its upcoming gala in Fall 2022 as well as potential school and festival performances throughout the year.

Accent Dance NYC was founded to celebrate multiculturalism through dance and prioritizes hiring artists who reflect the communities we serve. BIPOC and immigrant artists are especially encouraged to apply, though all are welcome. Artists who have experience or an interest in working with youth audiences are also encouraged to apply.

Dancers must be fully vaccinated against COVID-19 by the time of the audition to be considered. Please bring proof of vaccination to the audition.

Audition Process/What to Prepare

If you are interested in auditioning, please send the following details to andrea@accent.dance no later than Friday, April 22:

Resume or detailed bio of your performance experience

Headshot or picture of yourself

Video of you dancing (reels, performance footage, studio footage, or improvisation footage are all acceptable). We will view up to 3 minutes of footage. If your video is longer than 3 minutes, please provide cue times for the section you would like us to watch.

All dancers invited to the audition must show proof of vaccination when they check in for the audition.

Modern/contemporary, hip hop, and ballet auditions will take place separately (see time breakdown above), but dancers are welcome to stay for more than one audition.

If you are invited to attend the hip hop audition, you will be asked to present a short solo movement phrase (approximately 1 minute or less). This can be an improvisation or a prepared solo. You may be asked to do this multiple times during the audition. If you have specific music for this, please have it pulled up on your phone. All hip hop and street styles are welcome.

If you are invited to attend the ballet audition, you will be asked to perform a short classical ballet variation of your choosing (2-3 minutes). You may be asked to do this more than once during the audition.

If you are invited to attend the contemporary/modern audition, choreographer Christie Coleman (see below) will lead the group through a

warm up as well as choreographed dance sequences.

About the Opportunity
