Company: Cross Move Lab

► [Share](#) | [Print](#) | [Download](#)

Cross Move Lab is currently looking for male dancers for the upcoming project in NYC.

Dancers with a strong foundation in ballet and contemporary, improvisational skills and contact improvisation experiences are welcomed!

Candidates must be available for the production process from June - September, 2022, for weekly rehearsal attendance and performance requirements.

Please submit the following to [crossmovelab@gmail.com](mailto:crossmovelab@gmail.com):

- Resume
- Dance reel OR one minute of performance video
- One minute video of an improvisation

Dates & Locations:

Rehearsals: June - September 2022 in NYC

Performance: TBD (September in NYC)

Application Deadline:

Saturday, 30th of April, 2022

About Cross Move Lab:

Cross Move Lab was established as contemporary company based in NYC in 2013. Guanglei Hui is the founder, artistic director and major choreographer. We have currently five female dancers, plus Guanglei Hui, total of six members. So far, we have produced ten pieces of work, under the same mission and philosophy. We want to innovate, not sacrifice; we want to explore natural physical motion, not the common movement; we deconstruct body and build new moving combination, not being restricted by body limitation. We are committed to develop body potentials.

One of our latest work was an evening length piece "The Silent Voices" premiered in 2019 at The Queens Museum after receiving the Artist Commissioning Program Grants from Queens Council on the Arts.
