NYC DANCE WEEK

NYC Dance Week believes that dance contributes to the well-being of both the individuals who watch and perform it and to the community at-large. The event brings immense value to the people of New York by encouraging them to be active, to be healthy and to celebrate life. Join us June 9th- 18th and register for an instructor today! If you are a New York City based artist we have opportunities for you to offer your classes virtually or in person and for those outside of New York City, we also have opportunities for you to offer free or discounted classes virtually so that you too can join our festival!
