Join us for our first official installment of our brand new After Hours Series!!

??For artists, social media can feel like our resume and like a constant audition. Finding boundaries and authenticity can be tough. In this virtual workshop, we will answer questions like:

What is the right approach to social media for you?

What kind of voice and narrative should you take on?

How can we make our online presence match our aesthetic, personality, schedule, needs, and boundaries?

Register here and Venmo \$12 to @artistafterhours to secure your spot in our program.

Financial hardship should never stop anyone from attending our programming. If you need financial assistance, please reach out.
