Mignolo Arts is hosting our very first Multi-Disciplinary Artist Residency program this coming October and we are looking for four artists of different disciplines to join us. The artists will have the opportunity to work together for three weeks to create a multi-medium installation or performance piece to be shown at our studio on October 22-23. The residents will be compensated with a \$650 stipend, as well as assistance with advertising and any equipment they may need for their project. All artists in the NJ/NY area are welcome to apply. Applications for the program are due August 19th and any questions regarding interest or applications should be sent to Karolina Holmstrom at [karolina@mignolo.dance](mailto:karolina@mignolo.dance).
