Applications for the third round of Redtail Artist Residencies in partnership with Jamaica Center for Arts & Learning are open!

Deadline: Tuesday, November 1, 2022 5:00 P.M. EST

Redtail Artist Residencies is a residency program formerly known as the EtM Choreographer + Composer Residencies. Similar to EtM's program, Redtail is a residency program providing choreographers and composers three months of free rehearsal space at Jamaica Center for Arts & Learning. Previous EtM choreographers and composers are eligible.

- This residency provides four choreographer/composer teams (eight artists total) with free rehearsal and workspace for three months.
- Artists may start their residencies in January 2023 or April 2023.
- The artist team will have the space to develop new work.
- A public program is no longer required.
- Each artist will receive a stipend of \$2000.

This is primarily a choreographic residency. Choreographers may apply individually without a composer. However, composers MUST apply with a choreographer and may not apply as individuals.
