I teach a class in performance photography at the School of Visual Arts, and we're looking for a class or rehearsal for the group to shoot after 6:00 PM on Wednesday, 12/11.

It's an excellent class for advanced students interested in gaining proficiency in an area of photography for which it's hard to find instruction. The students are glad to provide free photographs for the dance company, choreographer, and dancers to use to promote, publicize, and advertise themselves, their performance, and their institution.

We're hoping for something staged and lit, but I'm open to other ideas if they're consistent with the class goals. For a group with access to a suitable space we could bring lights and do set-up dance photographs.

Please contact me at jsinnott@sva.edu if you're interested.
