WE MOVE.

Spend 4 enriching weeks with NW Dance Project in an open and safe studio, connect with other dancers and artists, be inspired, and activate your artistic and physical practices in a spacious and stimulating environment. Immerse yourself in professional technique classes and experience the creative process, repertoire, improvisation and movement styles that are necessary tools for every dancer. This intense, hands-on month of training will provide dancers with the insights, improvisational skills and creative tools that are needed by the most sought after companies and choreographers of today.

Our MOVE Platform is geared for dancers pivoting to a professional career.

Dancers AGE 19+ can audition for this platform – we are prioritizing dancers completing college/conservatory training.

Our PRO Platform is geared for career track dancers to train, develop and grow in the contemporary dance form.

Dancers AGE 14+ can audition for this platform.

Participating dancers will be split into groups by age and merit in order to facilitate increased individual attention and direction.

SUMMER DANCE PLATFORM culminates in two public ticketed showings featuring NW Dance Project repertoire and original creation.

Dancers will train, create and be mentored by our guest artists and award-winning artists of NW Dance Project – "Some of the best dancers you will ever see." – Calgary Herald

"this intensive has fully turned my world upside down, there aren't words to describe how special this experience was for me" - 2022 SDP Dancer
