An innovative teen summer intensive connecting dancers from around the world.

July 10 - 22, 2023

Peridance's Global Summer Dance Intensive is a 2-week comprehensive training program designed for dancers ages 12-17 with serious goals to develop, increase, and strengthen their level of technique, self-confidence, and artistry. An experienced and knowledgeable faculty strongly emphasizes clean technique and self-discipline within a nurturing and supportive environment. This program emphasizes contemporary forms and is tailored to push dancers both technically and artistically. Students will study a variety of genres from renowned faculty and work with fresh and upcoming choreographers in New York City. At the end of the 2 weeks, intensive participants demonstrate their work in the fully produced performances presented at Peridance's in-house KnJ Theater.

Daily schedule will include 4 classes in various styles including Ballet, Contemporary, Modern, Jazz, Theater Dance, Hip Hop, Body Conditioning, and Repertoire Rehearsal.
