Applications are open for the 2023 T2 ChoreoFest. Deadline to apply: March 31.

The heart of the program is to provide professional development, resources, and support for emerging choreographers. This year we have mentors from professional dance companies who will be providing daily challenges for the choreographers and feedback throughout the week.

Selected Choreographers will have two hours each day (3 days) to work with a T2 Company Dancer and receive feedback from professional choreographer mentors. The final day of the program will include a private 30 minutes in the performing space before an informal performance open to the public.

GUEST CHOREOGRAPHER: One choreographer will be selected by the Mentors and will have the opportunity to set a work on the company for a performance in late September. The GC will receive a \$500 honorarium. Rehearsals with the company may be via zoom if travel is not possible. Rehearsals will take place in August (Monday and/or Wednesday mornings 9am–noon MT).
