N/A

We are looking for a talented and experienced lighting designer to join our team for our upcoming dance performance. The ideal candidate will have a strong understanding of lighting design and be able to create visually stunning and impactful lighting for our performances.

### Responsibilities:

- Work with the director and choreographer to create a lighting design that supports the overall vision of the performance.
- Design and execute lighting plans for all performances.
- Operate lighting equipment during performances.
- Troubleshoot lighting issues during performances.
- Maintain lighting equipment.

### Qualifications:

- 2+ years of experience in lighting design for theater, dance, or other performance art.
- Strong understanding of lighting design principles and techniques.
- Experience with a variety of lighting equipment.
- Ability to work independently and as part of a team.
- Excellent communication and problem-solving skills.
- Attention to detail.

If you are a talented and experienced lighting designer who is looking for a challenging and rewarding opportunity, we encourage you to apply. Please submit your resume and portfolio to [email protected]
