Hello,

Our Bodies! A Protest in Dance! is a dance protest to take a stand on one of the most pressing social issues of our time: Women's Bodily Autonomy. Show link: <https://www.eventbrite.com/e/our-bodies-a-protest-in-dance-saturday-april-22-2023-tickets-542970257657>

Creative Performances is seeking a videographer to record both shows, 5 p.m. and 7:30 p.m. Each show is 45 minutes long.

Not looking for a professional with editing or advance cinematography experience.

Anyone who has the knowledge of running a video camcorder, who is alert and engaged in the show so that the piece is always within the frame. Camera will be provided. But, if they want to bring their own, that is fine, too. We are looking for a wide, one look shot. We do not need any post production editing.

If you are available on April 22nd, Saturday, from 4 until 9 p.m. and are interested in assisting this production please email to creativeperformances.nyc@gmail.com with the subject line "Volunteer Videographer".

Thank you immensely!
