Heeey!

I'm looking for PEOPLE for a Photoshoot and Videoshoot session.

> WHO:

Anyone interested to be in front of a camera.

All genders.

All colors.

All sizes.

All backgrounds.

18+ y/o.

*We already have some people in the shoot. But we would love to have a more diversified group of people. So if you are 40+ y/o, and/or identify as male, non-binary, and/or trans, we strooongly encourage you to jump in with us.

> WHAT:

These photos and videos will be used to help promoting my interdisciplinary movement classes through a platform yet to be launched.

The movements are specific to what I teach in my classes, so I will be guiding you through the photoshoot.

NO modeling or dance experience required. A lot of the movements are simple, and our goal is to capture the subtlety between human being and movement. I will help you getting the best out of the shoot.

> PAYMENT:

As of now, unfortunately this is an unpaid gig. But we will be happy to take some extra photos for your own use. And hopefully in the future we can collaborate again with compensation!

There will be some snacks and drinks for you.

> WHEN:

The photoshoot will be on Monday, July 24th, at the Peerspace Studios (35 Meadow Street, Brooklyn).

The time slot we are looking to fill is between 12:30pm and 3pm.

> I'M IN:

Please email me (subject: PHOTOSHOOT) if you are interested and the time works for you! We will send more details then.

Share any questions with us as well.
