Join dozens of other choreographers who have had their works produced on film through One Day Dance. Each year we accept eight talented choreographers to help craft our next season of dance films. You could be one of our next!

One Day Dance creates a platform for choreographers to experiment and create new work on film. The only restriction is that each choreographer only gets 24 hours to create their work. This includes rehearsing, filming, and editing. We look forward to receiving your application for Season 5!
