Obremski/Works AAPI VISION Fellowship

Company: Obremski/Works Inc.

Location: New York City, NY

Compensation: \$750 Reimbursement

► [Share](#) | [Print](#) | [Download](#)

The VISION Fellowship emerges from the need to support developing AAPI artists, in collegiate or university settings, with support to immerse themselves within the field and work being showcased. This \$750 financial reimbursement allows space for a Fellow to cultivate a voice for themselves by seeing performances and engaging with the arts community in addition to their collegiate development. With mentorship from Obremski/Works Associate Jie-Hung Connie Shiau and Obremski/Works Founder and Director Jesse Obremski, the Fellows receive year-round support for what they imagine and envision their future to be.

For the 2024 cycle, Obremski/Works has expanded our application across the United States and will be awarding two VISION Fellows.

The application for the Fellowship is open between October 1st, 2023 and November 12th, 2023.

Eligibility:

Must identify as AAPI (Asian American and Pacific Islander)

Must be a collegiate-attending artist pursuing an undergraduate or graduate degree in dance during any part of 2024 (graduating and incoming collegiate-attending artists accepted).

Must live and attend a collegiate program within the United States

Must fill out all parts of the application by November 12th, 2023, 11:59pm
