We are thrilled to announce our WHIM Winter Intensive '23, Saturday, December 16, 2023 – Wednesday, December 20, 2023, in Seattle WA designed for pre-professional and professional dancers.

Spend five days immersed in technique, improvisation, repertory, and partnering. We are thrilled to have Bret Easterling joining us for this program. A former dancer with Batsheva Dance Company, Bret is now the Artistic Director of BEMOVING and will be creating a work for Whim W'Him's January program.

Don't miss this opportunity to move with an incredible roster of dancers and dance makers!

Designed for pre-professional and professional dancers, participating artists will gain tools to serve and develop their creative practice and development as individual artists.

Whim W'Him believes strongly in the power of individuality in artistry and offers this program as a platform for dancers to build further confidence in their own artistry.

??We aim to create a safe and inclusive environment and work to actively embrace a diversity of people, ideas, talents, and experiences. We highly encourage people of color, individuals with disabilities, and other historically underrepresented groups in our community to apply.
