ChristinaNoel & The Creature seeking: Advanced Contemporary Dancers with Vocal Abilities: requiring an extensive background in Modern, Ballet, Improvisation, floor work, partnering and Contact Improvisation. Comfort and confidence singing and vocalizing is also necessary. Our work is devised dance theater and made collaboratively.

The Creature is committed to equity, diversity and inclusion. We encourage performers of all races and ethnicities, gender identities, sexualities, abilities, and ages to apply.

ChristinaNoel & The Creature seeks artists for their 2024 season (February through February). The Creature, led by Artistic Director ChristinaNoel Reaves, is a Brooklyn-based experimental devised dance theater company. Comprised of dancers who are also musicians, the hybrid performance medium utilizes the dancers' voices, bodies, and individual perspectives of the world.

Commitment includes:

- 6 to 9 hours of rehearsal each week (paid). Tentative schedule: Tuesdays (12:30-3:45pm); Fridays (12:30-3:45pm)

- rehearsal and performance commitment February 2024 - February 2025 season, which includes: 2-3 performance weekends, and potential to stay on for multiple seasons. Contracts will start immediately after the audition process.

ChristinaNoel is looking for highly technical dancers (trained in classical and contemporary forms) with the ability to sing and with experience in partnering and contact improvisation. Your ability to be vulnerable as an actor will be highly utilized. Rehearsals typically include: vocal warmup, rhythm music exercises, improv scenes, acting work, and rehearsing and generating highly physical material--a large amount of material is co-created and developed from improvisation.

ChristinaNoel leads a youth company, The Ephyra, whose dancers range in age 3-18. In addition to The Creature's independent, self-produced concerts, Creature artists cross-over working with The Ephyra from time to time.

Above all, ChristinaNoel is most interested in artists who are strong individual performers interested in experimental devised dance theater.

\$25/hr for show weekend rehearsal/tech/performances

Voice training with ChristinaNoel and individual photo shoots with Creature photographer Aeric Meredith-Goujon

\$25/hr for mentoring of youth ensemble (optional but highly encouraged)
