Tom Horan

Hello,

We are currently seeking a 3rd professional dance company's to partner with the Kennedy Dancers in sharing a performance space at MMAC Theater in NYC.

Our motivation for this proposal stems from the considerable share expense associated with theater rentals, and we firmly believe that sharing the spotlight can be advantageous for all involved dance studios.

The performance date is scheduled for Saturday, July 13th. We are in search of a company capable of delivering a performance lasting at least 25 minutes.

Furthermore, we are enthusiastic about fostering a collaborative environment where dance artists can showcase their talents and exchange creative ideas. This shared platform not only reduces costs but also facilitates networking opportunities and promotes a sense of community within the dance industry.

We invite interested dance companies to share the space with a cost, please reach out to us for further details regarding the cost and discussions regarding this exciting opportunity to showcase your artistry in the vibrant cultural hub of New York City. Please advise, thanks!

Regards,
Diane Dragone
