Snapshots

Company: Culpdid Dance Compensation: N/A ► Share | Print | Download

Snapshots, hosted by Culpdid, is a "show and tell" style event that <u>prioritizes artistic creative processes</u>. We hope to provide artists of all mediums a space where they can share a glimpse of their work in the early stages within a supportive community. Whether recreational, emerging, established or just a lover of the arts, all are welcome to delve in conversation about the struggles, frustrations, joys and enlightenments experienced along the creation process.

Never presented your work before? No worries, "Snapshots" is the perfect low stakes opportunity for artists to gain experience talking about their work and bring questions to other creatives about their work in progress.

During the event, Wandering Barman will also host a happy hour, serving \$5 cocktails, creating the perfect atmosphere for networking and mingling among artists after the presentations. To participate, interested artists can fill out a Google form to reserve their spot.
