ReFrame Dance Theatre & mignolo arts present: TO BE DANCED 2

TO BE DANCED is an evening celebrating the artistic pluripotency of Dance Theatre, particularly new works that represent the diverse landscape of emerging artists in New Jersey and the Tri State Area.

ALL Artists are welcome to apply regardless of dance form, background, or identity. However, preference will be given to artists identifying as NJ-based.

The goal of this event is threefold:

- Create more opportunities for NJ-based early and mid-career artists to present choreography in their home state.
- Connect Artists and Audiences to build community.
- Serve as a performance process that prioritizes equity at all points from application to production to the best of our ability.

Compensation: All selected artist/groups receive a \$75 stipend, photos, and video of their performance.

Applications are OPEN until 5/31 at 11:59pm.
