The Blois Danse Festival is looking to add a few short films to its edition this year.

The Festival is labeled "Olympiade Culturelle 2024" by the Olympics taking place in Paris (Paris 2024).

The Festival would like to include in its film programming some films related to the olympics. We are looking for:

- films that include hip-hop / break dancing
- films that mix dance and sports (any sport)

Films should be no longer than 25 minutes or less than 3 minutes.

The screenings will take place at Cinéma les Lobis, a movie theater in Blois on July 6-7.

Selected films will receive 2 laurels from the festival that they can add to their posters: "Blois Danse 2024 Official Selection" as well as "2024 Jury Choice Award".

The Festival will also promote the selected films to other film festivals.
