We are looking for two talented male dancers for full-time, salaried positions.

Relocation to Rochester, NY is mandatory, and a minimum commitment of two years is expected. Health Benefits are available after a three-month probational period, and retirement benefits are extended after two years of service.

AUDITION INFORMATION

If interested, please email your resume and dance reels to Artistic Director, Norwood 'PJ' Pennewell, at douala2000@frontiernet.net and cc: alec@garthfagandance.org. Be sure to include "JOB: Dancer - [your name]" in the subject line of your email. Upon receiving your application, we'll contact you via email or phone.

We value musicality as a fundamental attribute, proficiency in impressive jumps, a range of dynamics, turns (both single-leg and chainées), and some floorwork skills. Please ensure that attire is form-fitting and no socks.

We'll be conducting a 3-day, in-person audition, for which we can assist with accommodations over the 3 days.
