WORKSHOPS/AUDITION/DEVELOPMENT EVENTS

Urban Scuba is the latest acrobatic-aerial-dance-theater spectacle from creative director, Brian Sanders. The show will continue development through the fall of 2024 and is slated for previews in the Spring of 2025.

WORKSHOPS

We are holding several aerial and dance workshops during the months of August and September in anticipation of our upcoming closed audition. These are training workshops provided so that you may familiarize yourself with audition content. You must demonstrate strong dance, partnering, and, aerial skills for the audition. Get to know the material as the directors get to know you. Workshop space is limited! You must be accepted to attend the workshops. Please send your reel and resumé to urbanscuba@gmail.com. The workshops are free to attend once accepted and you may attend any or all of them depending on space. Attendance at the workshops does not guarantee a spot at the auditions but it will help.

All workshops will be held in New York City:
5th Wall Studios, 156 N 4th St #7, Brooklyn, NY 11211

Workshop Dates: August 23, 30 and September 6-7, 2024
Time: 2:00 pm to 7:30 pm with 45min break.
