WHITE WAVE will be presenting our 9th Annual SoloDuo Dance Festival (February 13th & 14th, 2025) with 30 participating choreographers/companies in 3 different programs. As in past years, we anticipate performing artists will hail from Europe, Canada, East Asia, Metro NY, and across the US.

To celebrate the distinct art of the solo and duet, while creating additional opportunities to display the latest work of both emerging and mid-career choreographers, WHITE WAVE's 2025 SoloDuo Dance Festival will be held at Dixon Place, a setting nestled in the heart of the Downtown scene.

The SoloDuo Dance Festival's foremost priority is to inspire performing artists of all stripes and callings to stretch the limits of their creativity and take it to new heights, and to provide vivid experiences for audiences, with the goal of finding and nurturing promising young talent.
