After presenting over 400 artists since its inaugural 2018 season, the Bridge for Dance is excited to bring back its flagship choreographers showcase - the Uptown Rising Performance Series!

*Designed with the choreographer in mind*, Uptown Rising provides choreographers the space and opportunity to premiere new ideas and revisit previous works in an intimate setting. Our shows are hosted in our large studio-turned-black box space. Additionally, each audience member is given the opportunity to write down feedback after each piece, which we send to the choreographers post-performance. We then close out the evening with a moderated Q&A with all the choreographers and a brief post-performance reception.
