7MPR Theme Dance Theater - Midnights Performance Series 2025

7Midnights Physical Research is dedicated to the exploration of 7 social issues: Class, Education, Ability, Sexuality, Race, Age, and Gender, which are the 7 themes consisting of the concept of 7MPR's main program, Themed Dance Theater -Midnights Performance Series. Seven performances will take place throughout the years until the 7th Midnight, and each performance will cover two or more than three topics of these social issues through dance. Each choreographer's work presented will express one or more than one topic aligning with the themes of the seven social issues.

"Midnight" is always a special time for our self-identification and our strong inner perception to this interesting world. At 7MPR, we share, we support, we speak out and loud for justice and rights. This coming First Midnight Performance will kick off the new year of 7MPR in 2025 as a new era to continue serving for NYC artists and building the "land" of Saint Marks Place Artists Community. After a long journey of challenges and explorations, 7MPR finished its Season 3 with seven midnight performances throughout the years of 2022-2024 and has been successfully developed into an LLC for performing art and NYC artists. 2025 is a brand-new year to start the new Season 4 with new 7 Midnights at our Themed Dance Theater. Let's get ready for the new era of 7MPR 2025!
