ABOUT: The 92NY Future Dance Festival is an annual curated festival rooted in a mission to invest in our collective future of dance through uplifting and supporting emerging artists. The Festival connects the next generation of choreographers and dance filmmakers with the current generation of directors and industry leaders.

Since the Festival's launch in 2020, over 40 diverse choreographers from 6 continents have been selected to share their work. Each of these choreographers received access to a network of company directors and industry luminaries who are equally as invested in the future of dance as we are at 92NY. Participation in the festival has resulted in choreographic opportunities such as commissions, grants, and residencies.

Future Dance Festival 2025 presents the work of emerging choreographers and dance filmmakers in two curated programs: a live performance at the 92NY's historic Buitenvoerter Hall, and an online presentation of dance films.

Application Deadline: Monday, December 16

FUTURE DANCE FESTIVAL — LIVE PERFORMANCE: 16 emerging choreographers will be selected to share work in one of two split-bill programs at the 92NY's historic Buitenvoerter Hall on either Friday April 11, 2025 at 7 PM ET or Saturday April 12, 2025 at 2 PM ET.

FUTURE DANCE FESTIVAL — DANCE FILM: 8 emerging dance filmmakers will be selected to share their original films in an online program available from April 10-17.
