Hi All!

As an actor/performer, I am looking to create some websites for free to get the word out about my work!

As this is a pro-bono free project, I am looking to create a few professional industry standard websites for free in exchange for a social media performative shoutout afterwards, so you can share your honest experience working with me while promoting your new website.

Web design examples of my work:

<https://iamrissa.com/>

Feel free to shoot me a text or email if interested.

Looking forward to working with a few of you on here!

Best,
