Hello!

We are seeking dancers, performers and actors that need a professional website. If chosen, we will build your website for free in exchange for a performative shoutout on social media, showing it off and crediting us as your design team. This is helping us get the word out about our web design work in the hopes that we might get new business from your colleagues, peers and fellow performers!

As this is a pro-bono project, I am open to considering a few of you on here so please shoot me an email or a text with your IG link and any video reels you have. Then I will connect with a few of you over a call to consider you further.

Web design examples of my work:

Looking forward to connecting with a few of you on here!

If interested, please text or email me!
