Hello!

We are looking to hire/collaborate with an experienced Flamenco dance teacher for children. Classes will be offered in Williamsburg/Greenpoint area from mid-March through mid-June on Saturday or Sunday mornings. One 30 min class for 2-4 yr olds, immediately followed by a 45 min class for 5-8 yr olds.

We are looking for not only an experienced teacher but someone open to partnering with us on developing a proactively body-positive approach. Our goal is that any child, in any kind of body will leave our classes more confident and technically trained, than when they entered. We know current dance education often harms the mental health of children and we are trying to develop an approach that solves this, so any child can experience the joy of dance!

If you are interested in leading these classes as well as brainstorming with us and adding new approaches into your curriculum, please send us a message at LeslieGalanGuyton@gmail.com. Include information about your past experience and training, as well as why you'd be interested in this type of collaboration.

Thank you!

Leslie
