Matthew Westerby Company seeks male- and female-identifying dancers for immediate and future opportunities in 2025 with MWC 2, MWC's 2nd company of dancers.

Performers that identify as BIPOC and/or that identify as LGBTQIA+ are strongly encouraged to apply.

Paid rehearsal & performance. Dancers should have strong dance technique, improvisational abilities, and a willingness to participate and contribute to the creative process.

Matthew Westerby Company is based in Upper Manhattan, founded in 2009 & become a non-profit organization in 2017 with a mission of building community through dance, working in diverse communities in New York City and beyond. MWC creates access to performing arts for all, regardless of age, experience level or ability to pay, engaging communities as both participants and audience.

MWC 2 was formed in 2022 as an outgrowth of the main company to provide paid work experience for recent graduates and/or dancers new to the NYC dance scene. MWC 2 dancers work alongside MWC in various capacities - in rehearsal, performance and in MWC's education programs.
