Six Degrees Dance hosts a monthly affordable class series for professional dancers taught by company members and guest artists. We are looking for innovative teaching artists to add to our roster. Teachers should be passionate about excavating their movement patterns and providing experiences that will bring practitioners closer to the elements of their unique approach.

We aim to make these classes workshop-style and different from traditional open classes. If you have a unique approach, an idea or concept you wish to explore, or a method of working you would like to deepen, we would love to have you!

Six Degrees Dance splits class revenue (\$10/participant) with teaching artists at a 30-70 split.
