Sound designer

Company: Jody Oberfelder Projects
Location: new york, NY
Compensation: \$30/hour

► [Share](#) | [Print](#) | [Download](#)

Tine Kindermann

Looking for tech savvy person to help with sound design for show May 16,17. Would like also to create rehearsal playlist. Job entails working closely with choreographer to seam together recorded tracks in addition to sound design. email coverletter to Jody@jodyoberfelder.com

Story Time

The Center at Park West

165 West 86th Street

May 16th, May 17th

Conceived, directed and choreographed by Jody Oberfelder, in collaboration with:

Performers: Mariah Anton, Andi Farley-Shimota, Michael Greenberg, Nyah Malone, Caleb Patterson

Composers: Tine Kindermann, Grace Bergere, Ellen Reid, Maurice Ravel

Costumes: Katrin Schnabl

Story Time deconstructs fairy tales and myths, focusing on one's heroic journey through life. The Center at West Park, a landmarked church full of character, is the perfect setting for vivid dance revealing intricate narratives. The cast of five intrepid dancers bring to life archetypal characters whose journeys overlap: the benign every-person, the haughty, messengers, helpers, conjurers, phantoms, bullies, and tricksters.
