Versatility is key when it comes to Gotham Dance Theater (GDT). We specialize in street jazz, contemporary, hip-hop, and dance theater. Seeking strong, versatile dancers and/or apprentices for our upcoming 2025 season. Professional dancers must be 18 years of age or older.

Under the artistic direction of Marc Nuñez and Davonna Batt, GDT company members learn new choreography every season and re-stage company repertory. GDT performances include, but are not limited to: evening length stage production, outdoor festivals, community events, and dance films. We advise that every prospective dancer become familiar with the company via our website [GothamDanceTheater.com](http://GothamDanceTheater.com) or via Instagram [@GothamDanceTheater](https://www.instagram.com/GothamDanceTheater).

Gotham Dance Theater's "Summer Suite 7.0: Over the Rainbow" will explore LGBTQ+ experiences within different cultures reflective of the dancers. Music will include Tagalog, Spanish, Korean, Arabic, and Indian - reflective of our dancers. The choreography and music will also showcase dance styles rooted in queer culture, including waacking and voguing.
