7MPR Theme Dance Theater - Midnights Performance Series 2025

7Midnights Physical Research is dedicated to the exploration of 7 social issues: Class, Education, Ability, Sexuality, Race, Age, and Gender, which are the 7 themes consisting of the concept of 7MPR's main program, Themed Dance Theater -Midnights Performance Series. Seven performances will take place throughout the years until the 7th Midnight, and each performance will cover two or more than three topics of these social issues through dance. Each choreographer's work presented will express one or more than one topic aligning with the themes of the seven social issues.

The Second Midnight Performance will take place on November 9th to continue serving for NYC artists and building the amazing artists community of Saint Marks Place, Lower East Manhattan. After a long journey of challenges and explorations, 7MPR finished its Season 3 with seven "midnight performances" throughout the years of 2022-2024. Now a new journey of Season 4 has begun in 2025. With a wonderful start of the First Midnight Performance in January this year, we are looking forward to seeing more incredible artists joining us for the Second Midnight Performance at 7MPR Themed Dance Theater-Midnights Performance Series this November!
