We are seeking dancers from a range of styles to perform as part of an immersive experience blending augmented reality and live performance on the Lincoln Center Plaza on April 19th.

We are looking for dancers with experience in:

- Breakdancing
- Classical Indian styles
- Classical ballet
- Contemporary/post modern
- Tap
- Jazz

Dancers should have experience with at least two of the styles and be comfortable with improvisation. Ideal style experience combinations include: breaking + ballet, Indian + post modern, tap + Jazz

There will be three rehearsals + a dress rehearsal ahead of the performance on the 19th.

Three performances will take place outdoors on April 19th between 10am-5pm and be approximately 30 minutes each.

If interested, please submit via [this link](#).
