Gordon Neidinger

Hello, I'm Principal Dancer and Repetitor, Children's Rehearsal Director with American Liberty Ballet Company and Academy. I'm offering a package of Three Vaganova based ballet technique privates to fellow professional dancers for a discounted rate of \$150, average NYC private lessons are currently 150-200/hr..... I've been teaching for 15 years, starting at my family's studio of 84 years, Sheffield's in Mobile AL. My former student is a Juilliard graduate, and my current students with the academy have been accepted into Ellison Ballet and ABT NY and California..... I began my professional dancing career after surviving a freak SUV crash into the dance studio where I was sitting. I combine Vaganova methodology with somatics to help streamline technique and movement, and make individuals artistry shine through and be the driving force behind their dancing.....
