What HOT Dance! Will Do for You:

- \* Provide the fully equipped performance space
- \* Each company will receive a 20-30 minutes (depending on the length of the work) of technical rehearsal slot in the theater on performance day starting from 3:30 p.m.
- \* Provide marketing support: Dixon Place will list the show on their website, in an e-blast, and will send listings to the press
- \* Each company will get 2 music cues and 4 light cues, provided that the individual dance company assigns someone to call cues during the performance. Pieces that do NOT provide someone to call cues will be limited to one general lighting look which typically means a blackout to start, one light look to come up from blackout, and then a blackout to end.
- \* Each company/lead choreographer will receive \$75 stipend.
- \* Each company will receive a free archival video of the performance.
- \* Post-performance interaction opportunity in the lounge.
