Loghaven's open call for applications will be from June 1 through July 15, 2025. Loghaven invites emerging and established artists to apply for two to six-week residencies occurring in 2026 and 2027. All resident artists receive a living stipend of \$850 per week in addition to travel and freight reimbursement. Artists can find inspiration across Loghaven's award-winning 90-acre campus, which includes beautifully rehabilitated log cabins and light-filled studio spaces. The Performing Arts Studio has an 860-square-foot sprung floor, a sound system, and views of the surrounding forest. Loghaven recommends that applicants read through our FAQs and look at the bios of our past Fellows to learn more and determine if the residency is a fit for them and their work.
