Opening up my books for April! I want to provide affordable photography while I'm still learning and to LGBTQ+ and BIPOC individuals always. Reach out and book something this month I'd love to work with you!

Currently breaking down my pricing this way:

You book the space! This works as your deposit for the shoot and helps with flexibility in the total cost of the shoot day. Some spaces are more affordable than others (even public spaces are free!) So cost in that regard is up to you and what you are looking for and I am happy to help search for studio space within your budget or collaborate on public spacing for you.

Current standard sliding scale costs while I am still learning: \$50-\$100 hourly on top of studio rental fees. This includes multiple edited photos, movement guidance, and assistance in collaboration (mood boards, finding space, etc)

LBTQ+ and BIPOC sliding scale costs:

You book the space, + \$25-\$100 hourly sliding scale. It's up to you how much you would like to pay within the scale! I am always open to working within your budget as well so if you're still hesitant on cost reach out and we can come up with a plan. This also includes multiple edited photos, movement guidance, and assistance in collaboration (mood boards, finding space, etc)

Trades:

I am also interested in trades at this time! Some things I would be interested in: Photography trades, tattoos, haircut/coloring, custom/vintage clothing, one on one personal training, passes to dance classes/yoga classes/pilates/pole/aerial or anything of that nature, custom jewelry etc etc (ask if i'd be interested if you have something else in mind)

-I will say if we are doing a trade I cannot provide the space in which we are shooting, so it will have to be a public space or somewhere you have access to! Thank you for understanding.

If you are interested in booking a shoot with me reach out to me either by email: kai.beutler3@gmail.com, or through my photography account on instagram: [blu.lensphotography](#)

Looking forward to working with you!
